ROSENBERG HELD FOR PERJURY

Norwich Man Said to Have Falsified in Trial of Arthur Randall Last Week—Bonds Fixed at \$1,000 Thursday Afternoon—Two Men and Two Women Given Sentences of Six Months.

Louis Rosenberg of this city, presented in the criminal superior court here Thursday afternoon on a bench warrant on the charge of perjury was held by Judge Gardiner Greene under bonds of \$1,000 which he had not secured at a late hour Thursday afternoon. Rosenberg's arrest was brought about as the result of the trial of Arthur Randall, colored, of North Stonington last week on charge of stealing a horse owned by William P. Wade. After the trial had been started Randall changed his plea from not guilty to guilty and sentence was deferred by Judge Greene.

The complaint against Rosenberg charges him with making false statements in his testimony in regard to a conversation claimed to have taken place between Rosenberg and Randall in the presence of Isadore Rosenberg, Louis Rosenberg's son. The conversation was in relation to the horse trade between Louis Rosenberg and Randall and was supposed to have taken place on August 17th between 12 and one o'clock, noon. The complaint alleges that neither Randall nor Isadore Rosenberg were present at the time stated.
